## CES Astros Fun Run – Coming Soon!

Our goal is to raise \$48,000 this year to support student enrichment initiatives – including:

Renaissance Instructional Programing (cost \$10,868), The Leader in Me Program (cost \$10,500), Classroom Support for our teachers (cost \$7,500), Tutoring (cost \$5,000) & much more!

We paired up with Boosterthon to allow our students to participate in a multi-day fitness-based fundraiser where they will learn skills to improve their character through this year's theme: MINDSPARK MYSTERY LAB! Help us reach our goal this year by connecting with family & friends to sponsor your student! Be on the lookout for more information to come home soon!

## Reflections 2018-19 Theme: Heroes Around Me

The PTA Reflections program welcomes students in all grades & abilities to explore & be involved in the arts.

Each year, students reflect on a common theme & create original works of art in dance choreography, film production, literature, music composition, photography & visual arts. More information including guidelines will come home next week & is also available at [cespta.org](http://cespta.org).

## Important Announcement

CES PTA Membership is not required for attendance to PTA Meetings.
